The Safest Investments

Are those that do not fluctuate during dis-turbed conditions of the money or stack market. First deed of trust notes (first mortrages), well secured on real estate in the District of Columbia, constitute "glie-edge" investments. They do not depen-upon the fluancial responsibility of indi-viduals or corporations for their stability and are exempt from taxation as personal property. We can supply such invest-ments in amounts from \$500 upward. Send for booklet, "Concerning Loans and In-vestments."

GERMAN STATEMENT. BERLIN, January 6:

t is announced that an allied aircraft

attack upon Douai failed. German aviators shot down two British aeroplanes. One of the machines was brought down by Lieut. Boelke, this being the seventh aeroplane that he has succeeded in disabling. There have been artillery duels at several places along the western front. On the Riga-Dvinsk front, in Russia, a German reconnoitering detachment that was advancing in the forest

south of Jacobstadt withdrew before the attack of a superior Russian force.

In Volhynia the Germans attacked an advanced Russian position and suc-ceeded in dislodging its defenders. Other Oficial War Statements on Page 14.
